

OFFSET ADJUSTABLE WRENCH

The only wrench you need.

Adjustable sizing guarantees you have the right wrench when you're on a ladder!

**SAVE
YOUR
KNUCKLES!**

5/8" to 1-1/4"
Capacity

Patented TRIPLE CYLINDER SLIDE and beefy thicker jaws provide superior stability, especially when on a ladder.

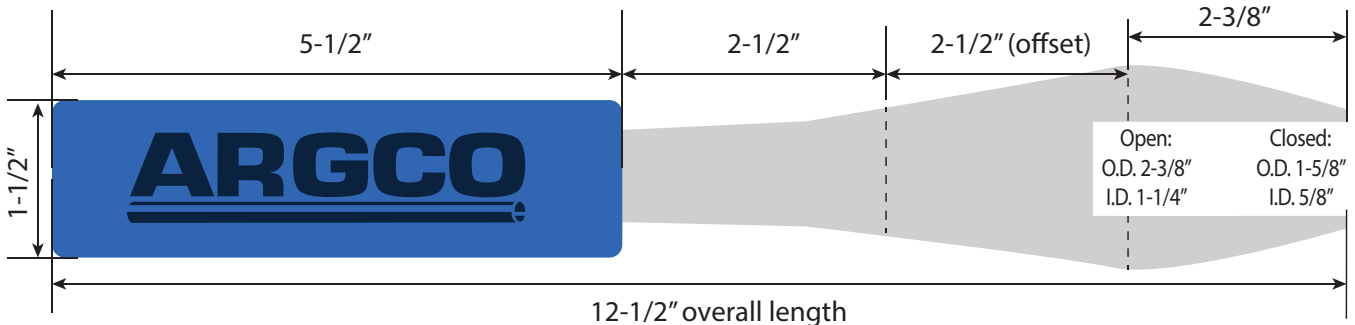

Offset design provides increased leverage when working overhead and makes it easy to reach tight spots.

Tough cast steel construction with durable chrome finish

The Perfect Wrench for exposed large fire sprinklers
