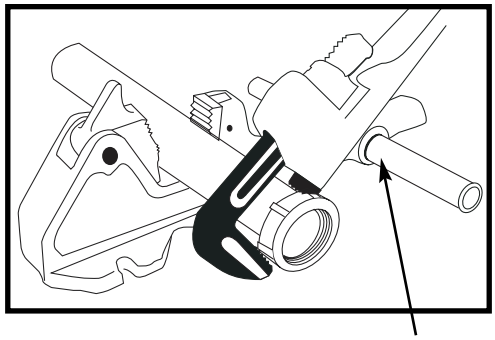
FOOT VISE

- Heavy duty foot vise made from tough ductile iron
- Light weight and portable
- Ideal for pipe work in tight places
- Quick and solid setting allow varying pipe sizes due to self adjusting jaws

- Spring suspension eliminates the chance of jaws jamming or rocking on the pipe
- Easily replaceable jaws made of hardened high carbon steel
- Fixing hole for increased stabilization

- Slots on the base allow for permanent attachment to work surface



Insert 1/2" pipe through fixing hole and stand on both sides of pipe for increased stabilization.

Size	Part #
1/2" to 1-1/4"	33-05-400
1-1/4 to 2"	33-05-401
